Craigslist pulls prostitution ads in Canada

Last Updated: Saturday, December 18, 2010 | 10:39 PM ET The Canadian Press

Craigslist pulls sex ads 7:27

Banning sex ads 2:10

Craigslist appears to have pulled prostitution advertisements from its Canadian websites after months of pressure from federal and provincial politicians.

The San Francisco-based company's "erotic services" section did not appear on the majority of its Canadian home pages Saturday morning. However some ads were still on the Halifax site and a detailed search of the Toronto site brought up an ad posted as recently as Friday.

Federal Justice Minister Rob Nicholson said he was pleased the erotic services section seemed to have been removed.
